Changing and Shower Rooms Policy

- Hatfield Peverel Women training evenings are exclusively female evenings at the Club. No males are allowed in the grounds unless invited to contribute to the training session
- Friday evenings are Hatfield Peverel Women match evenings. No males allowed in the changing or shower rooms under any circumstances.
- During mixed matches, Male Players are not permitted in the changing or shower rooms at any time when a Female Player is using them. The onus is on the last Player leaving the changing & shower room to inform those waiting that the area is free.
- During "interclub" matches, the Away Changing & Shower Room is the designated female Changing & Shower room and is out of bounds to all male Players.
- Adults must not change at the same time as a **Young Player**.
- Adults must not **shower** at the same time as a **Young Player** at ANY TIME.
- **Young Players** must wait until the changing room is free before entering unless a parental consent form has been signed and they are listed as authorised to change at the same time as an adult.
- **MOBILE PHONES MUST NOT BE USED IN THE CHANGING & SHOWER ROOMS BY ANY PERSON AT ANY TIME.**

No adults are permitted to be in the changing room when a young player is changing unless a parental form has been signed granting permission. In such cases, there MUST be a minimum of two adults present in the changing room at all times. If no form granting permission has been signed by the child's parents/guardians, the child should wait outside until the room is free.
